

**... ASANTE SANA ...**

**TO ESTIMATED TANZANIAN AUTHORITIES AND OFFICIALS**

... We would like to ask the valued Tanzanian authorities to actively support our **TEAM OF VOLUNTEERS** from **AUSTRIAN EXPERTS**, thereby enabling the rural population to provide healthy, clean drinking water and, above all, to facilitate their daily transport routes to drinking water especially for women and children.

**WATERPROJEKTS in our AID - Region - M dabulo and Kilolo | Province Iringa | Tanzania**

**\* Welfare of the local population in the construction of water pipes, wells and water reservoirs \*  
Foundation of water cooperatives (WATA - WATER ASSOCIATION) Specialized sources for healthy drinking water \* Water transport to the villages with pipelines and alternative pumping technology**
